### Public/Society Benefit

Argosy provides program and project support to community-focused organizations as they complete civic improvement projects and develop their IT systems and infrastructure. We also support research projects into municipal issues, to help organizations realize their mission and more effectively and efficiently address the challenges facing our communities.

## **2004 Argosy Foundation and HFH MBA Youth United \$5,000 Argosy Foundation Grant**

A group of high school students from four central New Jersey area schools co-wrote a grant proposal representing Habitat for Humanity, Millstone Basin Affiliate Youth United group.

That group received one of the five Argosy grants awarded in 2004!
