

## **Millstone Basin Area Habitat for Humanity Build Site Directions**

The build site is located at **250 South Academy Street in Hightstown**, NJ, in the block behind the Hightstown Post office.

Volunteers are asked to stop at our beige trailer (on site) to sign in.

To reach the work site:

### **From The New Jersey Turnpike:**

- Take **Exit 8 (Hightstown Exit)** off the turnpike (whether coming from the north or south).
- Bear **LEFT** after the toll plaza toward **Hightstown/Route 33W**.
- Follow this road to the "T" at a light where you must make a left or Right (Fire House in front of you). At that light make a **left** onto **Main Street**.
- Continue on Main Street - it will **bear right at a fork**, and becomes **Mercer Street**. The **Post Office** will be ahead of you on your right.
- Make a **right** at the first street after the Post Office (**S. Academy Street**)
- Proceed 1 block (**past Railroad Avenue**) our site is the **2<sup>nd</sup> house on the left**. Look for our **beige construction trailer**.

### **Directions from Rte 130 and/or Rte 571:**

- At the intersection of 130 and 571, take Rte 571 East toward Hightstown.
- Continue on 571 E (a.k.a. Stockton Street), until you can't go any further. That is the corner of 571 and Main Street.
- Turn Right onto Main Street and then follow the directions above - staying to the right as Main Street becomes Mercer Street, turning just past the post office on your right, etc..
